

liberty to resell all or any portion of the timber purchased by such defaulter, who shall be required to make good any loss, but shall not participate in any profit on such resale. The amount due by such defaulter shall be recovered from him as a revenue demand.

Note.—For the convenience of the purchasers, the quarter deposit or the whole of the sale amount will be received and acknowledged by the officer conducting the sale, if tendered on the spot at the time of sale.

4. The whole quantity purchased by each purchaser must be paid for within thirty days of sale, failing which the earnest and deposit moneys already paid in shall be forfeited to Government and the timber not paid for shall be resold. Moneys due may be paid into the Treasury of the taluk in which the depot is situated or into the District Treasury, but into no other except in cases where the purchasers are permitted to pay into any other Government Treasury in accordance with the chellans issued to them.

5. No timber shall be delivered to any purchaser until it has been paid for in full.

6. No timber can be removed from the depot till a permit to removal signed by the Forest Officer in charge of the depot shall have been obtained.

7. Timber paid for may be removed at any time within thirty days from the date of sale or within such further period not exceeding ninety days from the date of sale as may be fixed by the Forest Officer as the circumstances of each case may require, without payment of rent; but if left in the depot longer than ninety days from date of sale, such timber will remain at the risk of the purchaser, and further shall be charged with depot rent at Rs. 6-4-0 per cent per annum, on the sale amount from the date of sale. If the timber be not removed within six months from the date of sale, the same shall, after ten days' notice to the purchaser, be sold by public auction for the recovery of rent and costs, etc.

8. Any complaint regarding short measurements, etc., will not be heeded after the removal of the logs from the depot.

9. Belated payments of purchase money will be charged with interest at $6\frac{1}{2}$ per cent per annum from the date of sale.

L. P. MASCARENHAS,
District Forest Officer.

ENGINEERING DEPARTMENT.

KRISHNARAJASAGARA WORKS.

Notification dated 27th February 1919.

Notice is hereby given that sealed tenders will be received up to 10th March 1919 by the Superintending Engineer, Krishnarajasagara Works, for the supply by contract, of food grains required for the use of the labour and Government servants on the North and South Banks of Krishnarajasagara Works for three months from 15th March 1919. The nature of the articles and the probable quantities required for week are noted in the subjoined list. Tenders for each bank should be sent separately.

2. Tenders must specify the quantity and the rates at which the articles as per samples to be sent by them can be supplied in seers per rupee on North and South Banks.

3. A store-room will be made over to the contractor on each bank, in which at least a month's supply of these should always be kept.

4. No tender will be received unless submitted with a deposit of Rs. 250 in cash currency note or Government bond.

5. The Superintending Engineer reserves to himself the right of rejecting any tender without assigning any reason for doing so.

6. The deposit of the successful competitor will be retained and will be forfeited if he fails to execute the contract bond or to furnish security to the amount of Rs. 1,000 in cash or Government bonds, within three days from the date of the acceptance of his contract being made known to him.

7. No advance of cash will be made to the contractor. Payments for the articles supplied will be made once a week.

8. The contract must not be sublet.

9. A fine not exceeding Rs. 50 will be levied at the discretion of the Superintending Engineer, for every infringement of the stipulation of the contract, or for the supply of any inferior articles; and if the stipulation of the contract be frequently violated, the contract will be annulled and the security confiscated to Government.

10. The decision of the Superintending Engineer, shall be final in all questions of the infringement of contract.

11. The sale, at the contractor's room of any article to others than those authorized by the Superintending Engineer by issue of tickets specifying the quantity is strictly prohibited.

12. All articles should be as per samples produced by them. Articles of other sort than those tendered for should be supplied at rates to be fixed by the Superintending Engineer.

13. The contractor will also be bound to make good to Government any loss which may arise from his failure or by Government having to purchase the articles in the local market at higher rates than those contracted for.

List of Food grains required per week.

North Bank.

Rice—70 pallas of which 10 pallas
to be of superior sort.
Ragi—70 pallas.

South Bank.

120 pallas of which 10 pallas
to be of superior sort.
80 pallas.

B. B. GARUDACHARYA,
Superintending Engineer.

MYSORE DIVISION.

Dated 15th February 1919.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Mysore Division, up to 10th March 1919, for deviating the portion of Madras-Cannanur road running between the Wellesley bridge and the Lokapavani bridge. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of December 1919.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Mysore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. (300) three hundred in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for deviating the portion of Madras-Cannanur road running between the Wellesley bridge and the Lokapavani bridge," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, Southern Circle, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

*Abstract estimate for deviating of Madras-Cannanur road from Wellesley bridge
to Lokapavani near Seringapatam.*
